## AUDITOR'S REVIEW REPORT

**TO: THE SHAREHOLDERS OF PTT PUBLIC COMPANY LIMITED**

The Office of the Auditor General of Thailand has reviewed the accompanying consolidated and separate statements of financial position as at March 31, 2012, the related consolidated and separate statements of income, statements of comprehensive income, statements of changes in shareholders' equity and statements of cash flows for the three-month periods ended March 31, 2012 and 2011 and condensed notes to interim financial statements of the PTT Public Company Limited and its subsidiaries and of the PTT Public Company Limited, respectively. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No.34, "Interim Financial Reporting". The responsibility of the Office of the Auditor General of Thailand is to express a conclusion on this interim financial information based on our reviews.

### **Scope of review**

The Office of the Auditor General of Thailand conducted the reviews in accordance with Standard on Review Engagements No.2410, "Review of interim financial information performed by the independent auditor of the entity". A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that the Office of the Auditor General of Thailand would become aware of all significant matters that might be identified in an audit. Accordingly, the Office of the Auditor General of Thailand does not express an audit opinion.

### **Conclusion**

Based on our reviews, nothing has come to the attention that causes the Office of the Auditor General of Thailand to believe that the interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No.34, "Interim Financial Reporting".
