AUDITOR'S REVIEW REPORT

TO : THE SHAREHOLDERS OF PTT PUBLIC COMPANY LIMITED

The Office of the Auditor General of Thailand has reviewed the accompanying consolidated and the Company's balance sheets as of September 30, 2006, and the related consolidated and the Company's statements of income for the three-month and nine-month periods ended September 30, 2006 and 2005, changes in shareholders' equity, and cash flows for the nine-month periods ended September 30, 2006 and 2005 of PTT Public Company Limited and its subsidiaries. These financial statements are the responsibility of the Company's management as to their correctness and completeness of the presentation. The responsibility of the Office of the Auditor General of Thailand is to issue a report on these financial statements based on the reviews.

The Office of the Auditor General of Thailand conducted the reviews in accordance with generally accepted auditing standards applicable to review engagements. Those standards require that the Office of the Auditor General of Thailand plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the Company's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit in accordance with generally accepted auditing standards. Accordingly, the Office of the Auditor General of Thailand does not express an audit opinion.

Based on the reviews, nothing has come to attention that causes the Office of the Auditor General of Thailand to believe that the consolidated and the Company's financial statements are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.
